## **Announcement Regarding the Establishment of Sales Subsidiary in Malaysia**

Makita Corporation (Head office: Anjo, Aichi Prefecture, Japan; President Masahiko Goto; Capital 24,206 million yen) announces that Makita established a new sales subsidiary in Malaysia in order to strengthen its sales activities and after-sales services in the country. The newly established sales subsidiary plans to start operation on May 1, 2013.

### **1. Reasons for Establishing the New Subsidiary**

Makita Singapore Pte. Ltd., a subsidiary of Makita Corporation, has been in charge of Makita's marketing activities in the Malaysian market through a local agent. The newly established sales subsidiary is designed to speed up the supply of Makita products and parts and strengthen after-sales services in order to further expand sales in Malaysia, where remarkable growth is expected in the future.

### **2. Outline of the New Subsidiary**

1. Company name **Makita Power Tools (Malaysia) Sdn. Bhd.**
2. Location Lot 824, Jalan Subang 5, Subang Industrial Area,  
47500 Subang Jaya, Selangor, Malaysia  
(suburbs of Kuala Lumpur)
3. Representative Taisuke Harada
4. Description of business Sales and after-sales service of electric power tools, pneumatic tools, outdoor power equipment and spare parts
5. Capital 16.9 million Malaysian ringgit (equivalent to 550 million yen)
6. Makita Ownership 100%
7. Establishment January 15, 2013
8. Operating start May 1, 2013
9. Number of employees 15 persons in the initial year
