

Satisfy Professional's Needs

## Bench Grinder

GB602 / GB602W 150mm (6") GB801 205mm (8")

# Steady tool maintenance from this light, yet stable performer

Comes with special sharpening wheel

**Ideal for sharpening tools and for removing rust or corrosion**

GB801

GB602

GB602W

# Distinctive New Exterior Design yet with the Same High Quality

Powerful grinding and polishing delivered from 550W motor (GB801)

Work light & eyeshield

- Integral work lights automatically turn on to illuminate the work area for more accurate grinding and polishing.
- The safety shields and spark deflectors are adjustable for operator convenience.

(Always wear safety glasses in operation.)

General grinding with WA60 grit wheel

Fine finish with GC120 grit wheel

With Saw blade sharpening kit

Coarse grinding with A60 grit wheel

(GB602W only)

Coolant tray

Conveniently located for frequent cooling of heated tool
