

Satisfy Professional's Needs

String Trimmer
UR3000 300mm (11-3/4")

Lightweight AC string trimmer

with Adjustable pipe shaft installed

Can be used as an edger

Slide type lock-off switch for safe operation

Strain relief on main handle prevents extension cord from disconnecting.

Adjustable loop handle allows for angle adjustment according to user's height and working posture.

Easy-to-remove/ install spool assembly

Spool assembly can be easily removed by pushing in two locking tabs at once. Additionally, its compact design allows small handed user to push in the tabs with ease.

The spool end is metal capped for increased wear resistance.

Adjustable pipe shaft

Simply by touching the button, the length can be adjusted to user's height by up to 240mm.

Adjustment range **240mm**

Motor head rotates 180°

Bump & Feed cord feeding system

Nylon cord can be fed by tapping the spool end on the ground.

Dual-cord cutting

(using the both ends of a nylon cord 8m in length and 1.65mm in diameter)
